Dear Minister,

Re: The draft Riverstone East Precinct Plan

We, the undersigned, are deeply concerned by the draft Riverstone East Precinct Plan (the draft Precinct Plan) which is currently on public exhibition. We understand that the proposed part SP2- Infrastructure and part RE1 - Public Recreation zoning of the Lankarama Buddhist Temple site at 35 Oak Street (Lot 35 DP 39341, Gordon Road) Schofields, NSW 2762 will seriously affect its current service to many thousands of Sri-Lankan and non-Sri Lankan Buddhists living in Sydney Metropolitan and Outer Metropolitan areas. Therefore we request that the draft Precinct Plan be amended to rezone the Lankarama Buddhist Temple to a suitable zone that will allow its continued use as a 'place of worship'.

We hope that you will consider our grave concern favourably, and advise the Department of Planning and Environment to make appropriate amendments to the draft Precinct Plan to allow the Sydney Lankarama Temple Buddhist Temple to continue its service to the community.

Thank you for your time and consideration.

Dear Minister,

Re: The draft Riverstone East Precinct Plan

We, the undersigned, are deeply concerned by the draft Riverstone East Precinct Plan (the draft Precinct Plan) which is currently on public exhibition. We understand that the proposed part SP2 - Infrastructure and part RE1 - Public Recreation zoning of the Lankarama Buddhist Temple site at 35 Oak Street (Lot 35 DP 39341, Gordon Road) Schofields, NSW 2762 will seriously affect its current service to many thousands of Sri-Lankan and non-Sri Lankan Buddhists living in Sydney Metropolitan and Outer Metropolitan areas. Therefore we request that the draft Precinct Plan be amended to rezone the Lankarama Buddhist Temple to a suitable zone that will allow its continued use as a 'place of worship'.

We hope that you will consider our grave concern favourably, and advise the Department of Planning and Environment to make appropriate amendments to the draft Precinct Plan to allow the Sydney Lankarama Temple Buddhist Temple to continue its service to the community.

Thank you for your time and consideration.
